

S V P St Vincent de Paul Society

Frederick Ozanam, beatified by Pope John Paul in Paris in 1997, founded the SVP with fellow students at the Sorbonne in 1833 to witness their Christian faith through helping the sick, lonely and deprived. The society he founded is active today in 153 countries worldwide. It has operated in England for over 150 years and in this Parish since 1910.

In the last twelve months 12 of our beneficiaries have either moved away or sadly died, as have 2 of our former members, and we remember them all in our prayers.

Twinnage

Our Conference is twinned with 7 Conferences in India, Guyana and South Sudan. Throughout the past year we have given constant financial and prayerful support to them and we communicate with most of them regularly. Because of the continued conflict in Sudan we are unable to get funds to those in need and pray for all in that country, hopefully establishing twinnage again in the not too distant future. We also continued to support the South Sudan Baby Feeding Programme.

We are grateful to Father Jonathan and all the clergy for our regular collections at Mass and contributions in the Church porch box. The support of donors, including donations of hundreds of pounds and again a particularly large donation of £5000, is much appreciated, as are parishioners who give freely of their time to give lifts to Mass and elsewhere for those who need it. For this wonderful generosity and your supportive prayers we pass on not only our sincere thanks but the prayers and good wishes from those who benefit from your kindness and consideration.

Thank you again for your generous support which enables us to bring relief to those in need in the Altrincham area and helps to alleviate the wider needs of the World. Please pray for those we seek to help and for your Conference so that, in the words of a Vincentian prayer, we may be *impelled to serve Christ in our neighbour and respond with open hearts to the suffering of others, aware of the depths of our own needs.*
